6. Samantha Boardman Rosen and Aby Rosen

OUT & ABOUT

The launch party at Milk Studios for Bob Colacello's new book, *Out*

Interview magazine, Diane von Furstenberg and W Hotels celebrated the launch of Bob Colacello's new book, *Out*, at the penthouse of Milk Studios. A chic circle of Colacello's friends through the decades gathered to have their copies of the book autographed, while sipping on champagne from the Moët & Chandon bar.
