An Englishman in New York

Miles Aldridge makes a special trip for an exhibition of his
photography.

June 19, 2015 3:20 PM | by [Sarah Leon](#)

What: The London photographer Miles Aldridge came to New York City for one night only to celebrate an exhibition of his favorite works.

When: Thursday, June 18th

Where: The SIXTY SoHo hotel's Gordon Bar.

Who: The photographer was joined by a bevy of models and It girls, including Cipriana Quann, Alina Baikova, and Fatima Said.

Why: Although the party ended late last night, the exhibition is up through Friday. It's worth a visit, even though the photographer will not be present.
