I FOUGHT THE LAW, PHOTOGRAPHY EXPLORING
AMERICA'S OUTDATED LAWS

April 21, 2016

Olivia Locher is a visual artist based in New York. Originally from Pennsylvania Her series I Fought The Law satirises the ridiculous and outdated laws that can still be found in certain parts of America. Channelling her sarcasm with the use of pop colour, Olivia puts the US legal system on a platform that's ripe for parody.
