Darlene & Me by Anja Niemi is at The Little Black Gallery, London SW10, from January 15 to March 10, 2015. Visit thelittleblackgallery.com

For her latest project, *Darlene & Me*, the photographer Anja Niemi locked herself away in a Californian hideout and assumed the character of Darlene Parker, a fictional beauty therapist from the 1960s. Niemi's playful images show the character at war (below right) and at peace with herself
